MEMORANDUM FOR THE FILE

SUBJECT: Rodino Bill - H.R. 2138

1. On 11 October 1967 the Rodino bill (H.R. 2138) was favorably approved, with amendment, by Subcommittee No. 1 and reported to the full Committee.

2. I called Jim Cline on the Subcommittee's action and he advised that the amendment was a technical adjustment in the body of the bill of the word "Act" to the word "Title." Mr. Cline said he foresaw no trouble in approval by either the full Committee or the House.

3. In connection with timing on our part for dealing with the Senate Committee, Cline suggested that we do this as soon as the House Report is issued. I thanked Mr. Cline for his information and his advice, now as in the past.

4. CA Staff, was advised by telephone call to his office this date on the Subcommittee's action.
